Environmental Policy

Company policy dated 1 January 2025. Rubber-Matting.co.uk edition.

Jigsaw Industrial Ltd manufactures PVC strip curtains and associated products for industrial and commercial use. We recognise that our activities have an impact on the environment and are committed to minimising these effects through responsible environmental management.

Our Commitments

We will:

• **Compliance** - Meet or exceed all applicable environmental legislation, regulations, and other requirements relevant to our activities.

• **Pollution Prevention** - Prevent pollution and reduce waste at source wherever possible.

• **Sustainable Resources** - Use raw materials, energy, and water efficiently, and seek opportunities to use recycled and recyclable materials in our products and packaging.

• **Waste Management** - Segregate, minimise, and responsibly dispose of waste, prioritising reuse and recycling.

• **Continuous Improvement** - Monitor, measure, and continually improve our environmental performance and management systems in line with ISO 14001 principles.

• **Climate Responsibility** - Reduce carbon emissions associated with our operations through energy efficiency and responsible transport practices.

• **Employee Engagement** - Ensure all employees are trained and aware of their environmental responsibilities, encouraging participation and ideas for improvement.

• **Supply Chain Responsibility** - Work with suppliers and contractors who share our commitment to sustainability and responsible sourcing.

Implementation

• Environmental aspects and impacts will be regularly reviewed and controlled through structured risk assessments.

• Objectives and targets will be established, monitored, and reviewed to drive continual improvement.

• Progress will be communicated to employees, stakeholders, and interested parties.

• This policy will be reviewed annually or whenever significant changes occur to ensure it remains relevant and effective.

Jigsaw Industrial Ltd is dedicated to conducting business in a way that respects the environment, supports our customers' sustainability goals, and contributes to a cleaner, safer future.
