

Orthomat® Premium Bubble

Our new extraordinary anti-fatigue mat with a distinctive bubbled surface

- Exceptional fatigue-relief and fatigue-prevention properties.
- Dual layer construction for superior comfort and durability.
- Raised bubble patterned surface stimulates feet and legs, aids circulation and prevents fatigue.
- Tough top surface for excellent resilience against wear and tear.
- Low density under layer provides extremely effective underfoot cushioning and insulates against the effects of cold concrete floors.
- Raised bubble pattern also reduces slips risk.
- Ideal for demanding locations, especially where regular turning is involved.
- Tapered edges to reduce trip hazards.
- Available in a high visibility version with bright yellow borders.
