
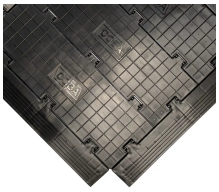
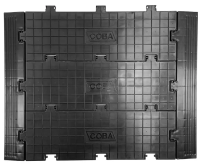
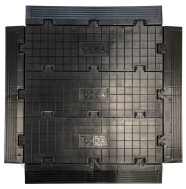
COBATrack Edges

Create a safe, seamless floor transition

- Impact-resistant polypropylene ramp edges designed for use with COBATrack Tiles.
- Seamlessly interlock with tile configurations to form a secure ramped border.
- Provides a smooth transition between matting and surrounding floor surfaces.
- Suitable for pedestrian and light vehicle access.
- Black finish matches COBATrack Tiles for a uniform appearance.
- 12 mm thickness designed to align with tile height.
- Designed exclusively for use with COBATrack Tiles, these ramp edges complete any modular layout by reducing trip hazards at the perimeter.
- Ideal for industrial and commercial environments where safe access and smooth floor transitions are essential, they enhance overall safety while maintaining a clean, professional finish.







Parts

Part Number	Size	Colour	Weight (kg)
CTE010001MX8	450 mm x 65 mm	Black	0.8
CTE010001FX8	450 mm x 65 mm	Black	0.8
CTE010001F	450 mm x 65 mm	Black	0.1
CTE010001M	450 mm x 65 mm	Black	0.1

Technical Specifications

Material	PP
Surface Finish	Ribbed
Product Height	12 mm
Min. Operating Temperature	-10°C
Max. Operating Temperature	+50°C
Environmental Resistance	Suitable for outdoor use
Typical Applications	Used with COBATrack Tiles
