
CablePro HD

Heavy-duty cable protector

- Tough ramped edges keep cables protected from wheeled traffic such as cars and forklifts.
- Can take a max weight of up to 1500 kg.
- Large 23 mm diameter channels accommodate heavy-duty cables.
- Suitable as indoor or outdoor cable protector.
- Ideal for industry, warehouses, events, shows and exhibitions.
- Features a pre-cut slit on the reverse to make inserting cables easy.
