

HygiWell

Loose lay disinfectant floor mat

MADE FROM RECYCLED MATERIALS

- Deep ‘well’ holds liquid disinfectant for effective cleaning of footwear at entrances.
- Made from 100% recycled REACH-compliant PVC material.
- Specially designed flexible scrapers remove dirt and allow footwear to immerse in disinfectant.
- Suitable for any location where hygiene is important such as farm buildings, abattoirs, and food processing factories.
- 1.75 ltr recommended disinfectant volume.
- We recommend the use of a standard quaternary ammonium compound type virucidal disinfectant.
- 100% recyclable.
- A+ BREEAM rating.
- Ramped edges reduce the risk of tripping.

Parts

Part Number	Size	Colour	Weight (kg)
HYW010001	0.525 m x 0.8 m	Black	3.5

Technical Specifications

Material	100% REACH-compliant recycled PVC
Surface Finish	Flexible wave pattern
Product Height	16 mm
Product Weight	8 kg / m^2
Environmental Resistance	Suitable for indoor and outdoor environments
Installation Method	Loose lay
Slip Tested to	DIN 51130 - R10
Manufacturing process	Injection moulded
Disinfectant capacity (ltr)	1.75
Hardness	A+
Recyclability	100%
